Crafty Extras:

- One of the Hanna nightstands (#46200) was shortened to add some drama and layers. The drawer pulls are the Small Gold-Plated Round Drawer Pull Knob (#1112).
- The Flooring Sheets (#32008 & #32011) were combined to anchor the space with a punch of fun. They're easy to cut, especially with a fabric rotary cutter or craft knife.
- The Beige Single Bed Mattress (#58496) was dressed in Nordic-style plaid sheets and pillowcases, a cozy boiled wool blanket, matching Nordic-style plaid trim, and topped with a Christmas red velvet duvet. These were handmade.
- The Large Christmas Tree (#65410) was dismantled and reattached to a dowel rod so that it felt scale appropriate. The base of the tree is a Large Tapered Terra-Cotta Planter (#4042). Two sets of Five Red Christmas Balls (#50223) were attached and then the silver tinsel (life-size) was added on top.
