Crafty Extras:

- Morgen painted the Pendant Light and used the Warm White Pico Chip Lighting kit (#15166) to electrify it.
- She dressed up her wreath with beads.
- The poinsettia flowers in the pitcher are from a laser sheet bought online.
- The floor is cardstock paper cut into 1" squares, glued down and brushed with a coat of matte Modge Podge®.
- Morgen filled the green mixing bowls to capacity with sweet ingredients and painted the canisters to add a festive touch.
- For the back wall, Morgen painted each square with UV resin to make it shiny.
