**Crafty Extras:**

- **Kitchen Island and Stool** – Christina built the island using Sheet Wood (#9154), Wainscot Panels (#323), Crown Moulding (#7147) and Baseboard Moulding (#7149). The stool is our Unfinished Stool (#56714), painted black.
- **Pantry** – The view into the pantry was created using the French doors from #2291040. Quatrefoil Leaf Paper (#42322) was used to add a pop of color inside. The paper was also used for the sink backsplash.
- **Hanging Light** – The hanging light is our White Non-Working Lantern (#64065), painted black.
- **Wall Shelves** – The open wall shelves were created using the Small Swallow Corbels (#38036) and Strip Wood (#7521). They provide the perfect space for Dinner Plates (#40252), Wine Glasses (#59274) and Goblets (#55064).
