Crafty Extras:

- Pinocchio is made of Sculpey Premo oven-bake clay.
- His marionette strings are black sewing thread.
- The background, Landscape near Dinant by Lucas van Valckenborch, was sourced from wikidata.org.
- The walls were painted in umber, burnt sienna and venetian red watercolors.
- The curtain is made of red velvet.
- The harlequin pattern uses Behr's Beta Fish (#M450-7) and Shasta Lake (M490-7) in eggshell.
