

Halloween Trick or Treat Bags Printie

Print at 100%, cut out along outlines, fold and assemble with glue stick, paper glue or rubber cement. Use provided handles or cut them off and replace with embroidery floss or fine cord.

Halloween Banner Printie

Before cutting individual flags, make a pin hole at the left and right endpoints of each word. Turn over and score a fold line that connects the pinholes for each word. Cut out the flags and fold each over a length of cord or dental floss. Secure with glue stick.
